## 236 Newbury Street - Boston, MA Historical Masonry Repair

### DESCRIPTION:

CSI was awarded the contract to perform selective masonry repair and replacement of a brownstone header above a third floor window of the historic building at 236 Newbury Street .

A large portion of the existing header had previously spalled off, creating a danger to both property and the public.

After installing the required sidewalk protection and obtaining the necessary approval from the historic commission, CSI proceeded with the remedial work to match the existing façade elements.

### OWNER:

Taurus Management Association

### ENGINEER:

Desman Associates

### DATE COMPLETED:

May 2008
