Miami International Airport, Miami FL Concrete Restoration and Stucco Work

DESCRIPTION:

CSI performed concrete restoration and stucco work at the top of one of the observation and control towers at Miami International Airport.

Concrete repairs were performed at night and stucco work during the day; both while the structure remained open to the public.

CSI was also consulted as an 'expert contractor' for work performed on the façade of the North Terminal.

Since 1996, **Contracting Specialists Incorporated** has steadily emerged as a leader in specialty construction, providing clients with proven and innovative solutions for concrete restoration, masonry restoration and waterproofing. Visit www.contractingspecialists.com
